**The DCBOE Announces Partnership with Nextdoor at Press Conference on May 24, 2018**

The DCBOE would like to invite you to attend a press conference on Thursday, May 24, at 10:30 am to announce our partnership with the free and private social media network for neighborhoods, Nextdoor.

Nextdoor has partnered with several counties in California, but the DCBOE is the first agency of its kind on the east coast to partner with Nextdoor. Please see below for more information about Nextdoor's partnership with the California Secretary of State:

We believe that given our role as the Nation's Capital, and given our local contests each election cycle, a platform like Nextdoor is ideal for communicating with District voters and residents. We would love to have you join us for this exciting and informative session about our plans with Nextdoor.

Please RSVP by **Wednesday, May 23** so that we can make sure there is space to accommodate you and any guests you would like to bring with you. The press conference will take place in our Board Room, located at 1015 Half Street SE, Suite 750, Washington DC 20003.

Looking forward to seeing you on Thursday!

*The District of Columbia Board of Elections is an independent agency of the District government responsible for the administration of elections, ballot access and voter registration.*
