

CHAPTER 15 CANDIDATE NOMINATIONS: ELECTORS OF PRESIDENT AND VICE PRESIDENT OF THE UNITED STATES

1500 GENERAL PROVISIONS

1500.1 This chapter governs the process for obtaining ballot access and the process by which candidates seek nomination to the office of elector of President and Vice President of the United States (hereinafter, “presidential electors”).

1500.2 For purposes of this chapter, unless otherwise provided, the following terms shall be defined as follows:

- (a) The term “ballot access” means the process by which the names of candidates for President and Vice President are placed on the general election ballot.
- (b) The term “authorized political party” means a political party that was organized prior to and continuously from the passage of the District of Columbia Election Code of 1955, approved August 12, 1955 (69 Stat. 699; D.C. Official Code § 1-1001.01 *et seq.*), or whose name has been approved by the Board pursuant to the rules of this chapter;
- (c) The term “qualified petition circulator” means an individual who is:
 - (1) At least 17 years of age and who will be 18 years of age on or before the next general election; and
 - (2) Either a resident of the District of Columbia, or a resident of another jurisdiction who has registered as a petition circulator with the Board in accordance with this chapter.

1500.3 To obtain ballot access, presidential electors shall be nominated in either of the following manners:

- (a) By message; or
- (b) By nominating petition.

1500.4 Each authorized political party which had in the next preceding election year at least seven thousand five hundred (7,500) votes cast in the general election for a candidate of the party to the office of Delegate, Mayor, Chairman of the Council,

or member of the Council may obtain ballot access and nominate presidential electors by message pursuant to the provisions of D.C. Official Code § 1-1001.10 (2011 Repl.). Nominations made by message shall be in writing, signed by the chairperson or other duly authorized official of the party's executive committee in the District of Columbia, and shall contain the following information:

- (a) The name of the political party;
- (b) The names of the party's candidates for President and Vice President; and
- (c) The names, addresses and registration numbers of the three candidates for presidential electors of that party.

1500.5 Each authorized political party which is ineligible to nominate presidential electors by message shall obtain ballot access by nominating presidential electors by petition pursuant to the rules of this chapter. Candidates without a party affiliation ("independents") shall also obtain ballot access by nominating presidential electors by petition.

1500.6 In addition to the filing of either the nomination by message or nomination by petition, the following affidavits and declarations shall also be filed on forms prescribed by the Board:

- (a) An affidavit from each of the three (3) candidates for presidential electors ("Affidavit of Presidential Elector Candidate") stating that:
 - (1) The candidate meets all the legal requirements for office;
 - (2) The nomination as a candidate for presidential elector is filed with the nominee's knowledge and consent;
 - (3) If elected as a presidential elector, the candidate shall vote in the electoral college for the presidential and vice presidential candidates nominated by the designated political party or whose nomination the accompanying petition was filed in support of; and
 - (4) The candidate acknowledges that, in accordance with D.C. Official Code § 1-1001.08(g)(3), his or her presidential elector ballot shall not be accepted if he or she does not vote for the candidate of the party he or she was elected to represent, and that if he or she refuses to present a ballot, presents an unmarked ballot, or refuses to vote for the candidate of the party whom the elector has been selected to represent, he or she shall vacate the office of the elector.

- (b) An affidavit executed personally by the presidential and vice presidential candidates (“Affidavit of Presidential and Vice Presidential Candidate”), stating their consent to the following:
 - (1) The appearance of their names on the general election ballot; and
 - (2) Representation in the electoral college by each of the three (3) named presidential electors, in the event that their presidential electors are elected in the District of Columbia; and
- (c) A Declaration of Candidacy for each candidate for presidential elector, executed in accordance with Chapter 6 of this title.

1500.7 Nominations by message and supporting affidavits and Declarations of Candidacy shall be filed with the Board not later than 5:00 p.m. on September 1st of each presidential election year, unless the deadline for these documents has been waived for good cause following the executive committee’s written request for such waiver to the Board.

1500.8 In the case of a nomination by petition, the Declaration of Candidacy must be filed before the Registrar will issue the nominating petition.

1500.9 Each person elected as elector of President and Vice President shall, in the presence of the Board, take an oath or solemnly affirm that the person will vote for the candidates of the party the person has been nominated to represent, and it shall be the person’s duty to vote in such manner in the electoral college.

- 1502.3 A candidate shall be permitted to choose a paper and/or electronic nominating petition form. 1505 FILING PETITIONS

- 1505.1 Before the nominating petition is filed, all sheets which comprise the petition shall be assembled and serially numbered.
- 1505.2 The nominating petition and supporting affidavits shall be filed in person at the Board's office no later than 5:00 p.m. on the 90th day preceding the election ("petition filing deadline"). The Declaration of Candidacy required pursuant to Chapter 6 of this title must be filed before the Registrar will issue the nominating petition. Any candidate may file petition supplements prior to the petition filing deadline, provided that the supplements are accompanied by an affidavit executed by the person filing them attesting that to the best of his or her knowledge, the petition is complete and contains the legally required number of valid signatures. All petitions and supplements shall be received by the Executive Director or his or her designee if filed on or before the petition filing deadline.
- 1505.3 Within three (3) business days following the petition-filing deadline, the Executive Director or his or her designee shall issue a preliminary determination of petition sufficiency. In order to be determined sufficient, a petition nominating a candidate shall:
- (a) Contain the minimum statutory number of signatures required to obtain ballot access for the office sought;
 - (b) Be accompanied by an affidavit executed by the person filing the petition, attesting that to the best of his or her knowledge, the petition is complete and contains the legally required number of valid signatures; and
 - (c) Be on a form issued by the Executive Director or his or her designee in accordance with the rules of this chapter.
- 1505.4 In determining whether the minimum statutory number of signatures is contained in the nominating petition, the Executive Director or his or her designee shall not count any signatures submitted on petition pages that fail to include a completed circulator's affidavit or any signatures of registered voters who submitted a written notarized request to disallow the voter's signature from being counted on the petition; provided, that the request shall be received prior to the time the petition is filed.
- 1505.5 Notice of the Executive Director's preliminary determination of petition sufficiency shall be served immediately by email or first-class mail upon each candidate.

- 1505.6 In the event that it is determined that a candidate's nominating petition is insufficient, the candidate's nominating petition shall nevertheless be posted for the challenge period specified in D.C. Official Code sec. 1-1001.08 (o) (2016 Repl.), along with the Executive Director's preliminary determination.
- 1505.7 Within three (3) days of issuing a notice of an adverse determination, a candidate aggrieved by the decision may file a written notice of appeal with the Board, duly signed by the candidate and specifying concisely the grounds for appeal.
- 1505.8 The Board shall hold a hearing on the appeal within three (3) days after receipt of the appeal notice.
- 1505.9 The hearing shall be conducted in accordance with the procedures provided in the District of Columbia Administrative Procedure Act, (D.C. Official Code §§ 2-501 *et seq.* (2016 Repl.)), and may be heard by a one-member panel (D.C. Official Code § 1-1001.05 (g) (2016 Repl.)).
- 1505.10 Any appeal from a decision of a one-member panel to the full Board shall be taken in the manner prescribed by D.C. Official Code § 1-1001.05 (g) (2016 Repl.); however, in no case shall the time allowed for the appeal exceed fourteen (14) calendar days from the date of decision of the one-member panel.

1506 PETITION CHALLENGES²

- 1506.1 The Executive Director or his or her designee shall post nominating petitions, or facsimiles thereof, in the Board’s office for public inspection and opportunity to challenge on the basis of an insufficient number of valid signatures or any other grounds by any qualified elector(s) for ten (10) days, including Saturdays, Sundays, and holidays, beginning on the third (3rd) calendar day after the petition-filing deadline required by law. Prior to the start of the challenge period, an official form for nominating petition challenges (“Nominating Petition Challenge Form”) shall be posted on the Board’s website and available at its offices, provided that the agency is not required to supply multiple copies of such blank forms to challengers. A challenge to a nominating petition that is not properly submitted to the Board within the challenge period shall not be accepted by the Board’s Registrar of Voters.
- 1506.2 Except as provided in this section, the Board shall adjudicate the validity of each properly filed challenge in accordance with the procedures prescribed in Chapter 4 of this title.
- (a) A challenge that does not satisfy the requirements of this section shall be rejected as not properly filed and shall not proceed to adjudication on the merits.
 - (b) A challenge to the validity of the signatures on a petition is properly filed only if it satisfies each of the following requirements, each of which shall be strictly construed:
 - (1) The challenge is submitted on the Board's official Nominating Petition Challenge Form and identifies concisely, in the appropriate form fields corresponding to specific petition sheets and lines, the basis for the challenge to each particular signature sought to be discounted.
 - (2) Each challenged signature shall be identified with sufficient particularity to permit the Registrar of Voters to locate and

evaluate the challenged entry without speculation as to the challenger's intent. A challenge shall not be considered sufficiently particular if the Registrar cannot determine from the face of the submission:

- (A) the exact signature being challenged; and
 - (B) the specific defect alleged, without reference to materials outside the challenge form.
- (3) The challenge shall clearly identify the specific rule of this chapter that is alleged to render the signature invalid.
 - (4) Generalized assertions, categorical claims, or statistical or inferential arguments shall not constitute a properly filed challenge unless they are tied to individually identified signatures or circulator affidavits. Assertions shall be deemed generalized where they are not tied to such specific entries or where identical allegations are applied without regard to the content of the particular signature or affidavit challenged. A statistical or inferential argument shall not substitute for such particularized identification of a challenge basis for each signature.
 - (5) A narrative statement, cover letter, attachment accompanying the Nominating Petition Challenge Form, etc., shall not expand the scope of the challenge beyond the specific signatures, circulator affidavits, and defects identified in the form fields, and any ground, theory, or category of defect not so identified shall be deemed waived and may not be raised during adjudication or on appeal. A generalized narrative assertion of petition fraud or irregularity, without identification of specific signatures or affidavits, shall not constitute a properly filed non-signature challenge and shall not preserve any such theory for adjudication or appeal.
 - (6) The challenge is signed and submitted in person at the Board's office by a qualified elector no later than 5:00 p.m. on the tenth (10th) day of the challenge period. Submission by mail, electronic transmission, or any means other than in-person delivery shall not be accepted.

- (7) The challenge alleges a sufficient number of signature defects that:
 - (A) Are sufficiently identified to allow the Registrar of Voters to readily locate the challenged signatures in the petition;
 - (B) Are sufficiently articulated to allow the Registrar of Voters to readily determine the rule of this chapter being invoked;
 - (C) If established, would render the candidate ineligible for ballot access; and
 - (D) Are presented in a manner that permits evaluation based solely on the information provided by the challenger. The Board shall not be required to investigate, infer, reconstruct, or supplement the challenger's allegations to identify or substantiate defects.
- (8) The challenge is made in good faith. A challenge shall be deemed to be based on a good faith review only where the pattern, volume, and nature of the alleged defects reasonably indicate that the challenger has examined the specific signatures or circulator affidavits being challenged. Indicators of a lack of good faith may include, but are not limited to:
 - (A) The repeated assertion of defect categories that are facially inapplicable to the identified signatures or affidavits;
 - (B) The use of identical or boilerplate allegations across numerous signatures without regard to the content of those signatures; or
 - (C) The assertion of defects that could not reasonably be determined from the face of the petition or accompanying materials.
- (c) The grounds for a challenge are limited to those specifically identified in the challenge as filed within the challenge period. No new categories of

defects, theories of invalidity, or challenges to additional signatures or circulator affidavits may be raised after the deadline for filing a challenge.

- (d) A narrative statement or attachment filed with the initial challenge does not preserve for adjudication or appeal any ground, theory, or category of defect not identified with particularity in the form fields of the Nominating Petition Challenge Form. This subsection applies regardless of whether the narrative statement was filed within the challenge period.
- (e) The threshold determination of proper filing shall be made by the Executive Director or his or her designee, based on a written determination identifying the specific deficiencies under this section.
- (f) A challenger whose submission is rejected as not properly filed shall be notified in writing of the basis for rejection. Such notification shall not constitute an opportunity to cure or supplement the challenge, and no additional submissions shall be accepted after the close of the challenge period.
- (g) The burden of demonstrating that a challenged signature or circulator affidavit is invalid rests at all times with the challenger. The Board's acceptance of a nominating petition as facially sufficient shall stand unless the challenger satisfies each requirement of this section. The Board shall not bear any burden of demonstrating the invalidity of challenged signatures.
- (h) A challenge on grounds other than the alleged invalidity of individual petition signatures shall be properly filed only if it concisely sets forth the specific procedural or legal defect. A challenge to a nominating petition based on theory of systemic invalidity, fraud, or pattern-based petition disqualification shall not be cognizable as a challenge based on grounds other than the invalidity of signatures and must be asserted in accordance with (b) above.

1506.3 Upon the receipt of a properly filed challenge, the General Counsel or his or her designee shall promptly serve a copy of the challenge upon the candidate in-person, by first-class mail, or by email. In addition, the Board's General Counsel may schedule a pre-hearing conference between the parties.

- 1506.4 After the receipt of a properly filed challenge that is based on allegedly invalid signatures, the Board's staff shall search the Board's permanent registration records to prepare a recommendation to the Board as to the validity of the challenge. The scope of the search shall be limited to matters raised in the challenge. In the event Board staff discovers a fatal defect either on the face of a petition or pursuant to a record search concerning a specific allegation or challenge, the Board may, on its own motion, declare any signature(s) invalid, notwithstanding the defect was not alleged or challenged; alternatively, the Board, in its discretion, may waive any formal error.
- 1506.5 The Board shall receive evidence in support of and in opposition to the challenge and shall rule on the validity of the challenge no more than twenty (20) days after the challenge has been filed. The Board shall consider any other evidence as may be submitted, including but not limited to, documentary evidence, affidavits, and oral testimony.
- 1506.6 The Board, in view of the fact that it shall hear and determine the validity of the challenge within a limited time, may limit examination and cross-examination of witnesses to the following:
- (a) Objections and specifications of such objections, if any, to the nominating petition; and
 - (b) Objections and specifications of such objections, if any, to the petition challenge.
- 1506.7 Based upon the evidence received, the Board shall either reject or uphold the challenge, and accordingly grant or deny ballot access to the candidate whose petition was challenged.
- 1506.8 If a one (1)-member Board panel makes a determination on the validity of a challenge, either the challenger or any person named in the challenged petition as a nominee may apply to either the full Board or the District of Columbia Court of Appeals for a review of such determination within three (3) days after the announcement of the one (1)-member panel determination; provided that any appeal to the full Board must be made in time to permit the Board to resolve the matter by no later than twenty (20) days after the challenge has been filed. An appeal from a full Board determination to the Court of Appeals shall be made within three (3) days.

1506.9 If at the expiration of the challenge period referred to in this section, no challenge has been filed with respect to a nominating petition, the Executive Director, or his or her designee, shall certify the candidate, and the candidate's name shall be printed on the ballot.

1507 VALIDITY OF SIGNATURES³

1507.1 Once a petition has been properly challenged pursuant to this chapter, a challenged signature shall not be counted as valid in any of the following circumstances:

- (a) The signer's voter registration was designated as inactive on the voter roll at the time the petition was signed;
- (b) The signer, according to the Board's records, is not registered to vote at the address entered by the signer on the petition at the time the petition was signed; provided that an address on a petition which is different than the address which appears on the Board's records shall be deemed valid if the signer's current address is within the boundary from which the candidate seeks nomination and the signer files a change of address form with the Board by no later than 5:00 p.m. on the 10th day after the candidate receives notice of the challenge;
- (c) The signature is a duplicate of a valid signature;
- (d) The signature is not dated;
- (e) The petition does not include the address of the signer;
- (f) The petition does not include the name of the signer where the signature is not sufficiently legible for identification;
- (g) The circulator of the petition sheet was not a qualified petition circulator at the time the petition was signed;
- (h) The circulator of the petition failed to complete or correctly enter all required information in the circulator's affidavit;
- (i) The signature is not made by the person whose signature it purports to be; provided that registered voters who are unable to sign their names may make their marks in the space for signature. These marks shall not be counted as valid signatures unless the persons witnessing the marks shall attach to the petition affidavits that they explained the contents of the petitions to the signatories and witnessed their marks;

³ Emergency rulemaking updates for this section were enacted at the DC Board of Election's March 4, 2026 Board Meeting and are reflected here.

- (j) The signature was not personally witnessed by the circulator;
- (k) The signature appears on a sheet that was not personally circulated by the circulator;
- (l) The signer is not a U.S. citizen;
- (m) Correction fluid or tape was used on information provided by the circulator in the circulator affidavit;
- (n) Correction fluid or tape was used on information provided by the signer, including their name, address, signature, or date of signing; or
- (o) Information about the signer was written, altered, corrected, clarified, or obscured on the petition by a person other than the signer, and the signer did not request such assistance before affixing their signature.

1507.2 Notwithstanding Subsection 1507.1, the Board may waive a defect for good cause shown unless waiver would conflict with a statutory petition requirement.
