1 P-R-O-C-E-E-D-I-N-G-S

2 (11:00 a.m.)

3 CHAIR THOMPSON: Good morning,
4 everybody. Hi. I'm Gary Thompson, the chair of
5 the D.C. Board of Elections. And with me is
6 Karyn Greenfield, my fellow Board member. We
7 have got a quorum.

8 So the first thing we do is adopt our
9 agenda, which we have had a chance to look at in
10 advance. And at this time, I would move the
11 agenda.

12 MEMBER GREENFIELD: I second.

13 CHAIR THOMPSON: All in favor?

14 (Chorus of ayes.)

15 CHAIR THOMPSON: And real quick,
16 also, we have looked at our minutes from last
17 time, and I would move that we adopt those
18 minutes.

19 MEMBER GREENFIELD: I second.

20 CHAIR THOMPSON: All in favor.

21 (Chorus of ayes.)

22 CHAIR THOMPSON: Okay. Our agenda

1 has changed a little bit. Today is our regular
2 board meeting for this month. But we were going
3 to also certify the special election results.
4 And I understand the D.C. Council asked us to
5 wait one day. So instead, we are going to do
6 that portion tomorrow where we certify the
7 special election results from Ward 8.

8 So with that, I will turn it over to
9 our Executive Director, Monica Holman Evans.

10 MS. EVANS: Thank you, Mr. Chair.
11 And just to reiterate and make sure all of the
12 information is on the record, certification of
13 the Ward 8 special election results, will be
14 tomorrow August 8 at 9:00 a.m. And that
15 information is on our website to join virtually.

16 I will begin with executive director
17 July engagements. On July 21, I attended the
18 Electronic Registration Information Center, or
19 ERIC, board meeting in Oklahoma City, Oklahoma,
20 OKC. We approved changes to the Membership
21 Agreement and to the bylaws.

22 From July 22 through July 24, I

1 attended the summer meeting of the National
2 Association of State Election Directors, also in
3 OKC.

4 Agenda topics included challenges to
5 election security, voting system certification,
6 and voter registration list maintenance.

7 Voter registration rolls. In July,
8 we registered 3,077 new voters and processed
9 4,616 registration changes. In total, we
10 prepared 7,693 voter registration cards to be
11 mailed.

12 Additionally, 224 registered voters
13 moved out of D.C., 420 voters cancelled their
14 D.C. registrations and registered with other
15 jurisdictions, and 820 voters registered in D.C.
16 after cancelling their registrations in other
17 states.

18 Online voter registration. We are
19 continuing to register voters using our website
20 portal. To date, we have processed over 98,860
21 applications using the portal. These include new
22 voter registrations and updates to existing

1 registrations.

2 Total non-citizen registration is
3 980. In July, we registered four new non-citizen
4 voters. Some non-citizens have been removed from
5 the registry due to our list maintenance efforts.

6 We are continuing our outreach in
7 D.C. communities to share information.

8 In 2025, next steps in off-year
9 election year planning. As previously mentioned,
10 we are working with our voter registration vendor
11 to implement the requirements of the new
12 Automatic Voter Registration, or AVR, Expansion
13 Act, which goes into effect on October 1. We are
14 also monitoring pending legislation information
15 on the federal level.

16 Legislation to repeal the Local
17 Resident Voting Rights Amendment Act passed the
18 House. Senator Britt has now introduced Senate
19 Bill 2636 that prohibits individuals who are not
20 citizens of the United States from voting in
21 elections in the District of Columbia and to
22 repeal the Local Resident Voting Rights Amendment

1 Act of 2022.

2 Mail canvass, list maintenance. We
3 are actively engaged in list maintenance to
4 ensure that accuracy and integrity of the voter
5 registration database. The ongoing effort is
6 critical to keeping the voter registration
7 database accurate and includes identifying and
8 updating records for voters who have moved out of
9 the District of Columbia or D.C., voters who have
10 changed addresses within D.C., duplicate
11 registrations and D.C.'s individuals.

12 As part of our biannual canvass, we
13 sent two rounds of mailers to make sure the voter
14 registration records are accurate. During the
15 first canvass mailer, a total of 153,407
16 non-forwardable mailers were sent to voters who
17 did not participate in the 2024 general election.
18 We received 20,705 responses, including 2,772
19 voters who confirmed their addresses by mail,
20 2,867 voters who reported moving within D.C.,
21 7,620 voters who moved out of D.C., 212 voters
22 identified as deceased, 3,613 mailers labeled

1 return to sender, and 11,621 mailers returned as
2 undeliverable.

3 The second canvass mailer was sent to
4 21,983 voters who did not respond to the initial
5 mailing. From this group, 6,819 mailers were
6 returned, which included 431 address
7 confirmations by mail, 34 voters who moved within
8 D.C., 124 voters who moved out of the state, and
9 28 voters identified as deceased. 1,621 mailers
10 were labeled return to sender, and 4,581 mailers
11 were returned as undeliverable.

12 We have been collaborating with
13 Experian Credit Reporting Agency to assist with
14 list maintenance. We submitted over 473,000
15 voter records for data matching. After an
16 initial quality review, Experian returned 93,453
17 records with updated address information. We
18 will review these updates and take appropriate
19 action to confirm the addresses.

20 ERIC voter participation, case
21 activity. We are actively investigating ERIC
22 cases from multiple states to identify potential

1 instances of voters who may have voted more than
2 once in D.C., voters who voted in D.C. and
3 another jurisdiction, or individuals who voted on
4 behalf of a deceased person during the 2024
5 general election.

6 We have conducted a series of
7 meetings with our vendors related to the recent
8 special election. These meetings focus on what
9 went well and what could have been improved.

10 Based on the findings and recommendations, we
11 will implement any necessary changes in future
12 elections.

13 Voter education and outreach. During
14 the month of July, the Voter Education and
15 Outreach Division, or VEOD, participated in six
16 outreach events on behalf of the Agency.

17 These events included a visit to
18 higher senior living and participation in the
19 Metropolitan Police Department and Department of
20 Parks and Recreation, Beat the Streets, Late
21 Night Hype event.

22 In preparation for the special

1 election for the Ward 8 Council seat, the VEOD
2 team targeted its outreach efforts in communities
3 across Ward 8 through strategic partnerships and
4 stakeholder engagement.

5 VEOD utilized partnerships with high
6 schools, colleges and universities, senior
7 residential buildings, nursing homes, libraries
8 and community organizations.

9 Election Worker Division. The
10 Election Worker Division trained 215 election
11 workers and deployed 170 individuals for the Ward
12 8 special election.

13 The Election Worker Division also
14 reviewed the site coordinator surveys that were
15 completed at vote centers. The division is
16 developing a report that summarizes the events at
17 the various vote centers.

18 ANC vacancies. We currently have 17
19 active ANC vacancies for the '25-'26 term. These
20 positions are in different stages of being
21 filled. After candidate filing requirements are
22 met and open voter registered voters of the

1 effective SMD will be held during regularly
2 scheduled ANC meetings.

3 The Department of Corrections in ANC
4 7F have scheduled an election to fill the vacancy
5 for 7F08.

6 The Ward 8 special election is over.
7 We had four early vote centers open from July 11
8 through July 14. There were 12 election day vote
9 centers open on July 15, election day, and
10 ballots mailed via the U.S. Postal Service and
11 postmarked by July 15 were able to be received at
12 BOE until July 25.

13 We have 55,992 registered Ward 8
14 voters who were eligible to vote in the special
15 election. There were 8,671 ballots cast. Voter
16 turnout was 15.49 percent. We had 65 percent of
17 voters voting by mail and 35 percent of voters
18 who chose to vote in person at vote centers.

19 And that concludes my report.

20 CHAIR THOMPSON: All right. Thank
21 you very much. And with that, we will turn to
22 General Counsel Terri Stroud.

1 MS. STROUD: Thank you, Mr. Chair.
2 So first, and this is not on the agenda, I wanted
3 to acknowledge our interns who are concluding
4 their service with us this week. We have four of
5 them present. They are Amir, Matthew, Trevor and
6 Chi-Chi, and they are here. And they have been
7 doing a wonderful job for all of us this summer.

8 They had a send-off last week, which
9 was just acknowledging their service. But they
10 are here. So I just wanted to say for the record
11 that we had a wonderful, wonderful class this
12 year. They did a lot of amazing work, made a lot
13 of great connections, learned about professional
14 development. And they are amazing. And I look
15 forward to all of the great things that they are
16 going to do in the future.

17 And if you wanted to say something,
18 either or both of you?

19 CHAIR THOMPSON: Yeah, of course,
20 thank you so much, everybody, for being with us
21 this summer. We really appreciate your hard
22 work. I hope you had a great experience.

1 I was also an intern at a government
2 agency in the summer between my sophomore and
3 junior year of college. And I look back upon it
4 fondly. It taught me a lot and it still stays
5 with me to this day. So best wishes in your next
6 semester or your next chapter, and good luck.

7 MEMBER GREENFIELD: Yes, and I will
8 just reiterate what Gary said. Thanks for being
9 interns for us. I hope you got a lot of
10 experience and gained some knowledge on just how
11 this whole process works.

12 Good luck in wherever you are going
13 next in your next endeavors.

14 MS. STROUD: Okay. And the first
15 item on my agenda is enforcement hearings. We
16 have two, and they concern double voting in
17 connection with the 2024 general election.

18 The matters are in the matter of
19 Lydia Calitri and in the matter of Claire
20 Gudewich.

21 By way of background, the Board is a
22 member of the Electronic Registration Information

1 Center, also known as ERIC. It is a non-profit,
2 non-partisan list maintenance organization that
3 was created by and is comprised of state election
4 officials. And it helps election officials
5 maintain more accurate voter rolls.

6 They have a voter participation
7 project program that allows its members to
8 request reports after each general election that
9 will allow them to identify potential illegal
10 voting activity, such as voters who may have cast
11 ballots in more than one state, more than one
12 ballot in the same state or Federal District as
13 the District is, and who -- or who may have voted
14 on behalf of a deceased voter.

15 Voting in two jurisdictions is a
16 violation of federal law 52 U.S.C. 10307. And it
17 carries penalties of a fine of not more than
18 \$10,000 or imprisonment of not more than five
19 years, or both, for each offense.

20 In terms of the District's election
21 laws, it is a crime to make any false
22 representation as to a person's qualifications

1 for voting or to fraudulently cast a ballot. And
2 the Board is authorized, upon the General
3 Counsel's recommendation, to initiate enforcement
4 with respect to criminal matters by referral to
5 the U.S. Department of Justice and/or the
6 District's own Attorney General.

7 The Board may also impose civil fines
8 of up to \$2,000 for each election law violation
9 upon the recommendation of the General Counsel.

10 After the 2024 general election, the
11 Board requested VPP reports from ERIC and began
12 conducting investigations in conjunction with
13 other states who also participated in the project
14 for that year.

15 Based on the information that was
16 received from the participating states, the
17 Board's Data Services Division worked to
18 determine whether individuals identified in the
19 reports who potentially voted in both D.C. and
20 another jurisdiction corresponded with
21 individuals in our registration records by
22 comparing various data points, including dates of

1 birth, social security numbers, driver's license
2 numbers, et cetera.

3 Once reports from the participating
4 states who had information regarding double
5 voting that implicated D.C. voters was received,
6 we reviewed and verified the information and
7 began to schedule pre-hearing conferences with
8 the individuals to determine what happened.

9 We held pre-hearing conferences in
10 connection with both of the matters before the
11 Board today. The one for Ms. Calitri took place
12 on June 6 and the one for Ms. Gudewich took place
13 on July 22.

14 At that these conferences,
15 representatives from the Office of the General
16 Counsel presented each party with the material
17 information that was provided by data services
18 that indicated potential double voting in D.C.
19 and another jurisdiction.

20 And the outcome of these conferences
21 is that the Office of the General Counsel has
22 entered into stipulation agreements with both

1 parties. And with that, I will have Senior Staff
2 Attorney Christine Pembroke present both matters
3 to the Board.

4 MS. PEMBROKE: Thank you, General
5 Counsel.

6 So with respect to the ERIC report
7 just described by General Counsel for the 2024
8 general election, we were able to ascertain that
9 an individual voted by mail in the District of
10 Columbia and the same individual voted in the
11 2024 general election in Michigan.

12 MS. STROUD: And this is Ms. Calitri.

13 MS. PEMBROKE: This is Ms. Calitri.
14 This is the first matter, yes.

15 So when we reviewed the mailed ballot
16 return envelope for the D.C. vote, it was
17 immediately apparent that the individual who had
18 signed that ballot return envelope was not the
19 person to whom the ballot was issued. The ballot
20 return envelope was legibly signed in another
21 name.

22 So upon further investigation, we

1 were able to determine that the signature on the
2 ballot return envelope matched the signature for
3 another individual who was residing at the same
4 residence as the voter to whom the ballot was
5 issued, and that individual was Lydia Calitri.

6 We reached out to Ms. Calitri. She
7 promptly responded and completely and fully
8 cooperated with us in our investigation. And she
9 ultimately entered into a stipulation agreeing to
10 the facts that I will be discussing.

11 She explained that she moved into the
12 residence where the ballot was sent in May of
13 2022, so approximately a year and a half before
14 the election at issue, and that she had received
15 a mail ballot in the November 2022 election that
16 was issued to her and voted it.

17 And then when she received a ballot
18 in the mail for the November 2024 election, she
19 filled it out, completed it, sent it in, did not
20 think to -- of the possibility that it was a
21 ballot that was for someone else and didn't
22 notice that the ballot -- the name printed on the

1 front of the ballot below the signature line was
2 not her name.

3 So she voted the ballot erroneously,
4 and she has acknowledged that and admitted to it.
5 But there is an oath on the ballot that she was
6 signing, and she signed the ballot return
7 envelope indicating that she was swearing and
8 affirming that she was the voter. So her act of
9 casting the ballot technically constitutes
10 fraudulent voting.

11 So we have the stipulation that she
12 has entered into as well as evidence that
13 supports the stipulation which we have submitted
14 to the Board in anticipation of this meeting.
15 And Ms. Calitri said she was going to be here to
16 make a statement.

17 MS. STROUD: She is here.

18 MS. PEMBROKE: She is here. So with
19 that, I would ask that the Board accept the
20 stipulation and the evidence that has been
21 submitted into the record. And that would
22 conclude the evidentiary submission by the

1 General Counsel's Office.

2 CHAIR THOMPSON: Yeah, yeah, the
3 Board so receives the stipulation and the
4 evidence that has been submitted. Thank you.

5 MS. STROUD: And it would be
6 appropriate at this time if it is the Board's
7 pleasure to hear from Ms. Calitri with respect to
8 what has been stated and submitted for the
9 record. And Ms. Calitri is here.

10 CHAIR THOMPSON: Hello, Ms. Calitri.
11 Thanks for being here.

12 MS. CALITRI: Oh, hi. Can you all
13 hear me?

14 CHAIR THOMPSON: Yes.

15 MEMBER GREENFIELD: Yes.

16 MS. CALITRI: Okay, great. Yes, so I
17 have previously spoken with Christine about this
18 whole thing. As she mentioned, I have been
19 living at this address for the past three years.
20 And I have voted previously from this address.

21 I do continue to receive some of Seth
22 Oppenheim's mail, and -- he was the previous

1 resident before me. And so when I received my
2 ballot for the 2024 election, because I had voted
3 at this address previously, I thought that the
4 ballot was mine, and I filled it out accordingly.
5 And I did not realize that his name was on the
6 ballot and not mine. And this was not, you know,
7 informed to me until Christine reached out about
8 the investigation.

9 So I fully, you know, take
10 responsibility for the mistake and, yeah, I just
11 -- anything to get this resolved is much
12 appreciated. And thank you, Christine, for all
13 of your cooperation as well.

14 MS. STROUD: Do the Board members
15 have questions or --

16 CHAIR THOMPSON: No questions. I
17 appreciate your comment, Ms. Calitri. It
18 certainly sounds like it was an inadvertent
19 mistake on your part with no intent to deceive or
20 commit fraud or that sort of thing.

21 MS. CALITRI: Yes, and --

22 CHAIR THOMPSON: So I appreciate --

1 MS. CALITRI: Sorry. The one thing I
2 will also mention is that I also do not know Seth
3 Oppenheim personally. I have not met him. He
4 just used to live in the apartment that I used to
5 live in. That's all.

6 CHAIR THOMPSON: All right.

7 MS. CALITRI: Yeah.

8 MS. STROUD: Thank you.

9 MS. CALITRI: Thanks so much.

10 MS. STROUD: Thank you, Ms. Calitri.
11 So with that, I would recommend, consistent with
12 past decisions of the Board in related matters
13 that a civil fine of \$100 be imposed against Ms.
14 Calitri for her erroneous voting of the ballot
15 consistent with the stipulation agreement.

16 CHAIR THOMPSON: I appreciate that.
17 And I will accept that recommendation and so move
18 that we impose a civil fine of \$100. And Ms.
19 Calitri, it is kind of like a traffic ticket or,
20 you know, that kind of thing.

21 I think it is important for us to
22 identify these cases and in the situation of an

1 inadvertent mistake like this, impose a modest
2 civil fine. So I am good with that and so move.

3 MS. STROUD: And with that --

4 MEMBER GREENFIELD: I second.

5 MS. STROUD: -- with respect to --
6 the second -- and then we will have a vote.

7 Chairman Thompson?

8 CHAIR THOMPSON: Aye.

9 MS. STROUD: Member Greenfield?

10 MEMBER GREENFIELD: Aye.

11 MS. STROUD: The Board has accepted
12 the recommendation of the General Counsel to
13 impose a \$100 civil fine on Ms. Calitri for her
14 erroneous voting of the ballot. And that
15 concludes this matter.

16 And we have the second one, which is
17 in the matter of Claire Gudewich.

18 MS. PEMBROKE: Yes. And, again, this
19 is a matter that came to our attention because of
20 the ERIC report with respect to the 2024 general
21 election.

22 We received information in that

1 report that the same individual voted in the
2 District of Columbia in person and also voted by
3 absentee ballot in South Carolina.

4 When we investigated this matter, we
5 were able to contact Ms. Gudewich. She responded
6 promptly and fully cooperated with us in our
7 investigation.

8 She attended a pre-hearing conference
9 and was represented by counsel and eventually
10 entered into a stipulation agreement with the
11 Office of General Counsel.

12 And in that stipulation agreement,
13 she essentially explains that she had a second
14 residence in South Carolina. And during COVID
15 she experienced difficulties getting her D.C.
16 license renewed through the mail while she was
17 living temporarily in South Carolina. And faced
18 with the prospect of losing her driving
19 privilege, she went and registered as a driver in
20 South Carolina, which meant she became a
21 registered voter in South Carolina.

22 So in the summer of 2024, she was

1 dealing with family matters that she knew would
2 make it difficult for her to be sure where she
3 would be located during the 2024 general
4 election. So she reached out to South Carolina
5 and requested an absentee ballot.

6 South Carolina sent her an absentee
7 ballot. She completed it and actually personally
8 handed it to a mail carrier, who was collecting
9 mail in the area where she was.

10 And then after she mailed the ballot,
11 she became concerned that it would not be
12 delivered to the South Carolina election
13 authorities because she did not include postage
14 on the mail ballot return envelope and she was
15 worried that would mean that the ballot would not
16 be received.

17 So she began to monitor South
18 Carolina's online ballot tracking system. And
19 she could see that a ballot had been sent to her
20 but she was not able to see any evidence that the
21 South Carolina authorities had received her
22 ballot.

1 And just as an aside, South Carolina
2 is a little bit different. In South Carolina,
3 your mailed ballot has to be received by election
4 day whereas in the District there is a 10-day
5 grace period for mailed ballots that are
6 postmarked before the election. So the timing
7 constraints on her were a little bit tighter than
8 if she had voted by mail in D.C.

9 So when she wasn't able to confirm
10 that South Carolina had received her mailed
11 ballot, early on election day, she went in person
12 to a D.C. vote center and voted there.

13 Unbeknownst to her, South Carolina
14 had in fact credited her mailed ballot on 3:50 on
15 the day before the election.

16 I did speak with a representative of
17 the South Carolina Voting Authority in Beaufort
18 County, which was the applicable jurisdiction.
19 And they confirmed that Ms. Gudewich should have
20 been able to see on their online ballot tracking
21 system that her ballot had been received at 3:50
22 on the day before the election.

1 MS. STROUD: So that information was
2 posted at 3:50 on --

3 MS. PEMBROKE: Yes. That is what
4 they affirmed. Because the records we had from
5 the South Carolina Authority said that her ballot
6 had been credited. And I wasn't sure just what
7 that meant in terms of what Ms. Gudewich would
8 have been able to ascertain the day before the
9 election.

10 Ms. Gudewich entered into the
11 stipulation, acknowledging that, you know, she
12 didn't vote with the intent of double voting.
13 She was just trying to exercise her right to vote
14 in the 2024 election. And I believe she is here
15 with her attorney to make statements.

16 At this point, I would request that
17 the Board accept into the record the stipulation
18 agreement and the other documents that support
19 the stipulation which were submitted to the
20 Board. And then that would conclude the General
21 Counsel Office presentation on this case.

22 CHAIR THOMPSON: Thank you so much.

1 Those materials are received. I appreciate it.

2 MS. STROUD: And with that, we will
3 hear from Ms. Gudewich and/or her attorney, who
4 may be present with her.

5 CHAIR THOMPSON: Hello, Ms. Gudewich.

6 MS. GUDEWICH: Can you hear me?

7 CHAIR THOMPSON: Sure can. Good
8 morning.

9 MS. GUDEWICH: Thank you. I just
10 wanted to say that I accept the stipulation,
11 which does accurately reflect and explain how I
12 mistakenly cast ballots in South Carolina and in
13 Washington, D.C.

14 And although this happened
15 unintentionally, I am truly sorry that it
16 occurred. I have the utmost respect for the
17 voting process, and I can promise the Board that
18 this will never happen again.

19 MS. STROUD: Thank you.

20 CHAIR THOMPSON: Thank you so much.
21 I appreciate it. You are obviously a committed
22 and zealous voter so we appreciate that albeit

1 that it was another inadvertent mistake here.

2 I just want to add for the record.

3 It is so -- the ERIC system is so important. It
4 is the system that allows us to identify these
5 situations where double voting has occurred. In
6 these two cases, by inadvertent mistake, but
7 perhaps in other cases, with a higher level of
8 intent.

9 It only works if other states
10 participate in it. So we urge all of the states
11 in our nation to participate so we and they can
12 identify situations like this.

13 So, just an observation. I will turn
14 it back to the General Counsel.

15 MS. STROUD: Thank you, Mr. Chair.
16 And with that, I recommend that the Board impose
17 a civil fine of \$100 on Ms. Gudewich for
18 unintentionally voting twice in the 2024 general
19 election.

20 CHAIR THOMPSON: The Chair accepts
21 the recommendation, and I so move to impose a
22 civil fine of \$100.

1 MEMBER GREENFIELD: And I second.

2 MS. STROUD: And I will wait until
3 that second, which I did this time. And I will
4 take a roll call vote. Mr. Chair?

5 CHAIR THOMPSON: Chair votes aye.

6 MS. STROUD: Member Greenfield?

7 MEMBER GREENFIELD: I vote aye.

8 MS. STROUD: And with that, the Board
9 accepts the recommendation of the General Counsel
10 to impose a \$100 civil fine on Ms. Gudewich for
11 unintentionally voting twice in the 2024 general
12 election. And that concludes this matter and the
13 enforcement matters.

14 And I will proceed to the next item
15 on my agenda, which is the formulations for
16 Initiative Measure 84, the District of Columbia
17 Time Stability Act. And I just want to see
18 whether or not Mr. Bernier is present today. And
19 if he could raise his hand to indicate he is
20 present. Yeah, that's it.

21 Mr. Bernier, am I pronouncing your
22 name right? I just want to make sure I have it.

1 MR. BERNIER: Yeah, it's close
2 enough. It is pronounced Bernier, but --

3 MS. STROUD: Okay. Thank you.

4 MR. BERNIER: Mm-hmm.

5 MS. STROUD: I will provide
6 background for the benefit of the public.

7 On June 5, 2025, the Board rendered
8 an oral ruling in which it determined that the
9 proposed measure, the District of Columbia Time
10 Stability Act, met proper subject requirements
11 and it issued a written order to that effect on
12 June 9.

13 The Board's task today is to
14 formulate the short title and summary statement
15 for the measure and to prepare the legislative
16 text in the proper legislative form.

17 Pursuant to 1-1001.01(16)(c) of the
18 elections statute, the Board is required to
19 prepare a true and impartial summary statement,
20 written in plain language not to exceed 100
21 words, bearing the serial number of the measure
22 and expressing the purpose of the measure.

1 Such statements shall not
2 intentionally create prejudice for or against the
3 measure. The Board shall prepare a short title
4 for the measure, consisting of not more than 15
5 words to permit the voters to identify readily
6 the initiative measure and to distinguish it from
7 other measures which may appear on the ballot.

8 It is also to prepare in the proper
9 legislative form the proposed measure where
10 applicable, which shall conform to the
11 legislative drafting styles of acts of the
12 Council and consult experts in legislative
13 drafting, including the Attorney General and the
14 general counsel of the Council.

15 And the Board has done that. The
16 Board's Office of the General Counsel drafted
17 proposed formulations for the initiative, which
18 were published in the D.C. Register on several
19 dates, June 20, June 27, and August 1 due to
20 rescheduling. And it was also published on the
21 Board's website on June 18.

22 The formulations included the

1 legislative text in the proper legislative form,
2 which was drafted with very helpful input from
3 the District's Office of Attorney General.

4 The proposer has reviewed the draft
5 language and to my knowledge has provided no
6 suggestions for the Board to consider today. And
7 we received no input from the public regarding
8 the proposed formulations.

9 And so we will use these proposed
10 formulations from which to work. If helpful,
11 suggestions are provided that the Board deems
12 necessary to achieve full compliance under the
13 statute.

14 After adoption, the Board will notify
15 the proposer of the measure of the exact language
16 adopted today, and submit the formulations to be
17 published in at least one newspaper of general
18 circulation, on the Board's website, and in the
19 D.C. Register.

20 The publication in the D.C. Register,
21 which will take place on either August 15 or
22 August 22, depending on whether we can meet

1 today's deadline for publication, will launch a
2 10-day period during which any registered voter,
3 who object to the formulations, may seek review
4 in the Superior Court of the District of Columbia
5 stating objections and requesting appropriate
6 changes.

7 Registered qualified electors may
8 also file objections regarding the initiative
9 with the Court on other grounds during this
10 period, including the Board's determination that
11 the proposed measure presents a proper subject
12 for initiative.

13 That 10-day period will end on
14 Monday, August 25 or Tuesday, September 2, again,
15 depending on the date that the formulations are
16 published in the D.C. Register.

17 And if we could share on the screen
18 -- as we have on the screen, the formulations
19 that were published in the D.C. Register. And I
20 will read it into the record.

21 The short title is, The District of
22 Columbia Time Stability Act. The summary

1 statement reads as follows.

2 The District of Columbia shall opt
3 out of observing Daylight Savings Time, DST, as
4 permitted by the Uniform Time Act and shall
5 establish Permanent Standard Time equivalent to
6 Eastern Standard Time, EST, year-round.

7 The legislative text reads as
8 follows: The District of Columbia Time Stability
9 Act, Section 1. Title and Purpose. This
10 initiative shall be known as the District of
11 Columbia Time Stability Act. Its purpose is to
12 exempt Washington D.C. from observing Daylight
13 Savings Time, DST, and establish Permanent
14 Standard Time year-round.

15 Section 2. Summary. Exemption from
16 Daylight Saving Time. The District of Columbia
17 shall opt out of observing Daylight Saving Time,
18 DST, as permitted by the Uniform Time Act and
19 shall establish Permanent Standard Time
20 equivalent to Eastern Standard Time, EST,
21 year-round.

22 Section 3. Implementation. The

1 District of Columbia government shall implement
2 Permanent Standard Time on Sunday, November 1,
3 2026 at 2:00 a.m. when the rest of the country
4 sets clocks back to standard time, thereby opting
5 out of future Daylight Saving Time changes.

6 Section 4. Effective Date. This
7 initiative shall take effect upon approval by a
8 majority of D.C. voters and completion of any
9 necessary legislative procedures, including
10 potential congressional review.

11 Section 5. Intent. This initiative
12 intends to improve safety, health and quality of
13 life for D.C. residents by eliminating biannual
14 time changes and providing a stable time zone.

15 And so those are -- one second. I
16 think I am missing -- effective -- one moment.
17 Section 3 says fiscal impact statement and
18 Section 4, effective date. This act shall take
19 effect after a 30-day period of congressional
20 review as provided in Section 16(r)(1) of the
21 District of Columbia Code of 1955, effective June
22 7, 1979, D.C. Law 3-1, D.C. Official Code Section

1 1-1001.16(r)(1).

2 And so with that, we can have a
3 discussion about whether or not the Board's
4 formulations meet the standards for acceptance as
5 formulations.

6 And Mr. Chair or Member Greenfield,
7 if you have any comments at this time, or we can
8 hear from Mr. Bernier if you would like.

9 CHAIR THOMPSON: I will just say at
10 the outset, that I found it to be very clear,
11 very succinct. It is really quite obvious what
12 it is saying. And, you know, thank you to the
13 Board staff for formulating such a clear and
14 concise statement of the proposition.

15 And we, of course, at the Board of
16 Elections, we don't have a position on this. We
17 don't have a stake in the outcome. We don't --
18 and the idea of making the language balanced and
19 neutral like this is not to tip, you know, the
20 reader, the voter one way or the other. It is
21 not -- I don't find it to be loaded rhetorically
22 at all, in any sense.

1 So I think it achieves its purpose
2 for being clear, neutral and succinct. And I
3 hope the proposer feels the same way. If there
4 is any small changes or suggestions, we would
5 love to hear.

6 MS. STROUD: I am sorry. I
7 apologize. I read what was initially submitted
8 and not what the formulations turned out to be.
9 They are not very many differences, but I will
10 read what was actually --

11 MEMBER GREENFIELD: Okay.

12 MS. STROUD: Title, Time Stability
13 Act of 2025. Summary Statement. If enacted this
14 initiative would exempt the District from
15 observing Daylight Savings Time, DST, in
16 accordance with the Federal Uniform Time Act and
17 establish Permanent Standard Time, which would be
18 equivalent to Eastern Standard Time, EST,
19 year-round beginning Sunday, November 1, 2026 at
20 2:00 a.m.

21 Legislative text. Be it enacted by
22 the electors of the District of Columbia that

1 this act may be cited as the Time Stability Act
2 of 2025.

3 Section 2. Subchapter 2 of Chapter 27
4 of Title 28 of the District of Columbia Official
5 Code is amended as follows:

6 A. Section 28-2711 is repealed.

7 B. A new Section 28-2712 is added to
8 read as follows:

9 Section 28-2712. Time Stability.

10 (a) The purpose of this section is
11 to exempt the District from observing Daylight
12 Saving Time and establish Permanent Standard Time
13 year-round.

14 (b) The intent of this section is to
15 improve safety, health and quality of life for
16 District residents by eliminating biannual time
17 changes and providing a stable time zone.

18 (c) The District shall opt out of
19 observing Daylight Savings Time as permitted by
20 Section 3(a) of the Uniform Time Act of 1966,
21 approved April 13, 1966 (80 Stat. 107, 15 U.S.C.
22 Section 260A(a)) and shall establish Permanent

1 Standard Time equivalent to Eastern Standard Time
2 year-round in accordance with subsection (d) of
3 this section.

4 (d) The District government shall
5 implement Permanent Standard Time on Sunday,
6 November 1, 2026 at 2:00 a.m. thereby opting out
7 of future Daylight Saving Time changes.

8 Section 3. Fiscal Impact Statement.

9 Section 4. Effective Date. The Act
10 shall take effect after a 30-day period of
11 congressional review as provided in Section
12 16(r)(1) of the District of Columbia Election
13 Code of 1955, effective June 7, D.C. Law 3-1,
14 D.C. Official Code Section 1-1001.16(r)(1).

15 And this is the formulation that was
16 published in the D.C. Register each time.

17 So the difference is just putting it
18 in the proper legislative text, which it was not
19 before based on the counsel provided by the
20 Office of the Attorney General for the District
21 of Columbia. So the substance is the same, but
22 the formatting is consistent with legislative

1 acts of the Council.

2 CHAIR THOMPSON: All right. I
3 appreciate that. And if you could pull up the
4 short statement again, that would be helpful.

5 MS. STROUD: The short statement.
6 Okay. So we, let me --

7 CHAIR THOMPSON: Two pages back.

8 MS. STROUD: Yup. Let me send you
9 this --

10 CHAIR THOMPSON: The summary
11 statement, yeah. This is what the voters will
12 see if they go -- if this makes it to the ballot
13 with sufficient signatures, the voter would see
14 what is called the summary statement.

15 MS. STROUD: Yes.

16 CHAIR THOMPSON: It's pretty clear to
17 me.

18 MS. STROUD: Mm-hmm.

19 CHAIR THOMPSON: It's a lot like the
20 first one you read previously with
21 parenthetical-like changes. But it seems quite
22 clear, so.

1 MEMBER GREENFIELD: Mm-hmm. I agree.

2 MS. STROUD: Okay. So it is the
3 Board's role to adopt. I just want to say that
4 for the record. And to take into account, if it
5 pleases, any comments made by the proposer or
6 members of the public. But it is the Board's
7 duty to adopt the formulations.

8 And with that, if Mr. Bernier has any
9 comments and then other members of the public.
10 But it's the Board's pleasure.

11 CHAIR THOMPSON: Yes, yes, please.

12 MR. BERNIER: Yeah, thank you. I
13 have no objection to the language put forth here
14 by the Board of Elections.

15 CHAIR THOMPSON: All right. We
16 appreciate that. And so we can hear from the
17 public as well if they, of course, would please
18 limit their comments to just this issue alone.

19 And if you have got a comment about
20 something else, we will call you on again during
21 the public comment section. So you just have to
22 raise a Zoom hand if anybody is out there and

1 would like to comment on this proposed initiative
2 language or legislative text.

3 MS. STROUD: I see one hand raised.

4 CHAIR THOMPSON: Okay. And, yes, Ms.
5 Brizill. And of course, we are not interested in
6 the merits of whether it is a good idea or not a
7 good idea. We are just looking at the language
8 itself. Please go ahead.

9 MS. STROUD: It appears she is muted.

10 CHAIR THOMPSON: We have got a hand
11 raised by Dorothy Brizill. But she remains
12 muted. There she goes. Okay. Thank you.

13 Can you hear us? Ms. Brizill? Maybe
14 she is having a technical connection problem.
15 Can everybody hear me?

16 MS. STROUD: We can hear you, yes.
17 Maybe the other option for Ms. Brizill or anyone
18 else who has comments would be to text in the
19 chat function, using the chat function of the
20 Zoom.

21 MR. BERNIER: The chat functionality
22 is currently disabled.

1 CHAIR THOMPSON: Apologies. Are
2 there any other hands raised?

3 MS. STROUD: No.

4 CHAIR THOMPSON: Okay. All right.
5 Ms. Brizill, I don't know if you can hear us, but
6 we are going to wait just a little bit longer and
7 see if you can make the connection.

8 While we are waiting, I will go ahead
9 and make the motion. I move that we adopt the
10 proposed language in the proposed legislative
11 text for the next round of publication in the
12 D.C. Register.

13 MS. STROUD: Okay. So it appears,
14 Mr. Chair, that -- I just wanted to say this.
15 With this platform, they can use the Q&A function
16 as opposed to the chat function.

17 CHAIR THOMPSON: Okay.

18 MS. STROUD: And so maybe that needed
19 to be stated in order for people to be heard.

20 However, if you would like to proceed
21 with the motion, then we can --

22 CHAIR THOMPSON: Yeah. And maybe Ms.

1 Brizill will work out the technical issue by the
2 time of general public comment, and we can hear
3 it then.

4 But, I mean, I think it is quite
5 clear and concise. And it is very helpful that
6 the proposer agrees. And so I am very
7 comfortable making my motion and ask for a
8 second.

9 MS. STROUD: Okay.

10 MEMBER GREENFIELD: I second.

11 MS. STROUD: And with that, we will
12 take a roll call vote. Mr. Chair?

13 CHAIR THOMPSON: Chair votes aye.

14 MS. STROUD: Member Greenfield?

15 MEMBER GREENFIELD: Aye.

16 MS. STROUD: And with that, the Board
17 has adopted the formulations proposed. The
18 formulations will, again, being posted as
19 indicated, published in a newspaper of general
20 circulation and the D.C. Register on the Board's
21 website.

22 And with the publication of the D.C.

1 Register, we will be able to begin a review
2 period during which voters may challenge the
3 formulations. But the notice that will be
4 published will so indicate so that the public is
5 aware of actions they may take and when.

6 And with that, that matter is
7 concluded. The next item on my agenda is
8 litigation status.

9 There are five active matters
10 currently involving the Board.

11 The first is Stacia Hall v. the
12 Board. That is in the U.S. Court of Appeals for
13 the D.C. Circuit. This is an appeal from the
14 U.S. District Court's denial of a challenge to
15 the legislation allowing non-citizens to vote in
16 local elections on the basis of standing.

17 On July 31, the District Court
18 ordered the parties to confer and file a status
19 report by tomorrow, August 8, 2025.

20 The next matter is Charles Wilson v.
21 Muriel Bowser and the Board. That is in the D.C.
22 Superior Court. This is a remand from the D.C.

1 Court of Appeals of a challenge to both the
2 Board's findings that Initiative Measure Number
3 83 met proper subject requirements in its
4 formulation of the measure.

5 The Court disagreed with the Superior
6 Court decision that the case was untimely filed
7 because it was submitted before the 10-day
8 statutory period for judicial review.

9 On April 8, the Board filed a motion
10 to dismiss. And several pleadings that we have
11 discussed at previous meetings have been filed,
12 including responses to the motions to dismiss,
13 motions to intervene, and motion to dismiss filed
14 by the intervenors. A status hearing is
15 scheduled for August 15 of 2025.

16 The next matter is Long v. the Board.
17 That is in the U.S. District Court. This case,
18 which was brought back from the U.S. District
19 Court to the D.C. Superior Court is a case that
20 Plaintiff Long resubmitted in the D.C. Superior
21 Court after it was previously dismissed without
22 prejudice.

1 Mr. Long seeks \$10,000 in damages
2 where an overdraft caused by a stop payment on a
3 \$500 check issued for his service as an election
4 worker. To date, the Superior Court has not
5 docketed any activity.

6 The fourth matter is Sobin v. the
7 Board in the U.S. District Court. This matter
8 concerns a complaint in which the plaintiff
9 alleges that the Board's petition circulation
10 process requiring candidates to gather signatures
11 violates the Americans with Disabilities Act and
12 an ANC election to be held in his single member
13 district is illegal.

14 On July 11, the OAG filed a motion to
15 dismiss. On June 16, the Court directed the
16 plaintiff to respond by June 30. On June 23, the
17 plaintiff filed a motion in opposition to the
18 motion to dismiss. And on June 30, the
19 defendants replied to the opposition.

20 The last matter is Muhammad v. the
21 Board of Elections in the D.C. Court of Appeals.
22 This matter involves a petition by the plaintiff

1 for review of a Board enforcement order imposing
2 a \$150 civil fine against her because she failed
3 to personally witness signatures on her
4 nominating petition.

5 The Board filed a -- the Court issued
6 a briefing order in May directing that the
7 appellant file her brief within 40 days of that
8 date and that the Board file its brief within 30
9 days thereafter. The petitioner failed to timely
10 respond, and the Board moved to dismiss for
11 failure to prosecute.

12 The petitioner then sought an
13 extension of time to file her brief until July
14 17. When no brief was lodged by July 17, the
15 Board renewed its motion to dismiss.

16 On July 28, the court ordered
17 petitioner to file her initial brief within 10
18 days.

19 And that is the last matter in the
20 litigation status report. And that concludes my
21 report overall.

22 CHAIR THOMPSON: All right. Thank

1 you so much. And with that I believe it is time
2 to hear from the Office of Campaign Finance.

3 MR. WILLIAMS: Good morning. My name
4 is Wesley Williams. I am the Operation and
5 Policy Officer for the D.C. Office of Campaign
6 Finance. I am here on behalf of our Director
7 Cecily Collier-Montgomery.

8 I will read a brief synopsis of the
9 activity of the Office of Campaign Finance for
10 the month of July.

11 Starting off with our community
12 outreach, during the month of July, the Office of
13 Campaign Finance participated in several
14 community outreach events across the District
15 with other District agencies sharing valuable
16 insights about its campaign finance programs with
17 attendees.

18 There were four events. Starting off
19 on July 7, a resource workshop was held at the
20 Howard Community Hall. On July 11 with MPD and
21 D.C.R., a Late Night Hype community outreach
22 event at Riggs LaSalle Recreational Center.

1 On July 14, a community resource fair
2 at Congress Heights Senior Wellness Center. And
3 on July 16, in partnership with the D.C. Public
4 Library System, the D.C. Office of Campaign
5 Finance held an informational session at Mount
6 Pleasant Neighborhood Library.

7 Also during the month of July, the
8 Fair Elections Program issued or disbursed in
9 matching payments a total amount of \$67,400,
10 which brought in total -- a total amount in --
11 and let me go back and say that amount was in
12 relation to the 2025 special election for Ward 8
13 council. So it was \$67,400, bringing total
14 disbursement for the special election to
15 \$335,375.90.

16 And finally with the Office of the
17 General Counsel with the Office of Campaign
18 Finance, during the month of July, there was one
19 referral, seven informal hearings were conducted,
20 and seven orders were issued in which no fines
21 were imposed.

22 And that concludes my synopsis of the

1 activity of the Office of Campaign Finance for
2 the month of July. Thank you.

3 CHAIR THOMPSON: All right. Mr.
4 Williams, thank you so much. Much appreciated.

5 And before we turn to public comment,
6 is there anything else from the BOE or the OCF
7 that we need to chat about?

8 MS. EVANS: Nothing from me.

9 CHAIR THOMPSON: All right. So
10 hearing nothing, we love to hear from members of
11 our D.C. public. So at this time, if anybody has
12 a comment about anything BOE or election related,
13 just raise your Zoom hand, and we'll call on you.

14 And I see Ms. Brizill's hand remains
15 raised. And I don't know if she has been able to
16 make the connection yet. But anybody else who
17 would like to comment, just raise your Zoom hand.
18 I can't quite see all the Zoom hands from here.
19 So I am going to rely on BOE there to identify
20 anybody.

21 MS. EVANS: Mr. Chair, it looks like
22 Ms. Brizill is the only hand raised at this time.

1 I am not sure if she is trying to resolve the
2 issues with the mute function.

3 CHAIR THOMPSON: Ms. Brizill, I don't
4 know if you can hear us. But if you can, you can
5 also type into the Q&A part of the Zoom function,
6 at least just to let us know that you are trying
7 or something.

8 Otherwise, I am looking at all of the
9 participants, and I also don't see any other
10 hands raised. So we'll just give it like 20
11 seconds or so.

12 Okay. Well, thank you everybody for
13 a very productive meeting, and I hope everybody
14 has a great day.

15 And most of all, thank you again to
16 our interns for being with us this summer. Once
17 again, we wish you the best.

18 And we will resume tomorrow morning
19 at 9:00 a.m. -- and it won't take long, I don't
20 think -- to briefly certify the results of the
21 Ward 8 special election. And then my
22 understanding is the D.C. Council will then be

1 able to address the matter on their end in the
2 same day.

3 So hearing nothing else going on,
4 with that, I move we adjourn.

5 MEMBER GREENFIELD: I second.

6 CHAIR THOMPSON: All right. All in
7 favor?

8 (Chorus of ayes.)

9 CHAIR THOMPSON: All right,
10 everybody. Thanks so much.

11 (Whereupon, the above-entitled matter
12 went off the record at 11:59 a.m.)
