DCBOE Publishes Results of the Manual Audit for the November 5, 2024 General Election

WASHINGTON, D.C. – The District of Columbia Board of Elections (DCBOE) has completed the public manual audit of the November 5, 2024 General Election, which took place on Friday, November 22 and Monday, November 25, 2024.

During the manual audit, DCBOE conducted a hand count of all votes cast in one randomly selected citywide contest (United States Senator), two ward-wide contests (Ward 8 Member of the State Board of Education and Ward 4 Member of the Council), and one precinct per ward.

Typically, differences between the hand count and the machine count result from additional or incomplete marks made by a voter on the ballot or counting errors made by members of the audit team.

Results of the November 5, 2024 General Election will be certified* during DCBOE's regular public Board meeting on Monday, December 2, 2024 at 10:30 am.

*The Board will certify all contests except for the contests below, for which the certification date is to be announced:

- Advisory Neighborhood Commissioner 2A06
- Advisory Neighborhood Commissioner 4A07
- Advisory Neighborhood Commissioner 6B04
- Advisory Neighborhood Commissioner 6B05
- Advisory Neighborhood Commissioner 6B08
- Advisory Neighborhood Commissioner 6/8F05
