DCBOE Publishes Results of the Manual Audit

WASHINGTON, D.C. – The District of Columbia Board of Elections (DCBOE) has completed the public manual audit of the June 21, 2022 Primary Election, which took place on Wednesday, July 6 and Thursday, July 7, 2022.

The DCBOE conducted a hand count of all votes cast in one randomly selected precinct per ward in one citywide contest (United States Representative) and two ward-wide contests (Ward 1 Member of the Council and Ward 6 Member of the Council) for the audit.

Typically, differences between the hand count and the machine count are the result of additional or incomplete marks made by a voter on the ballot or the result of counting errors made by members of the audit team.

Official results of the June 21, 2022 Primary Election will be certified during the Board's regular public meeting on July 15, 2022 at 11:00 am.

The results of the audit can be found on the following pages.

The District of Columbia Board of Elections is an independent agency of the District of Columbia Government responsible for the administration of elections, ballot access, and voter registration.
