DCBOE to Conduct Pre-Election Testing of Voting Equipment on April 15

WASHINGTON, DC – The District of Columbia Board of Elections (DCBOE) will conduct “Logic and Accuracy Testing” of voting equipment in preparation for the June 4, 2024 Primary Election.

Testing will begin on Monday, April 15, 2024 at 10 am and will conclude when the testing process is complete. Testing will occur at 3535 V Street NE.

This process takes place prior to each election to verify that all voting equipment used will accurately count the votes cast in all contests. **No photography will be allowed during this process and members of the public must observe the posted code of conduct.**

Anyone interested in observing this process in person should contact Sarah Graham at sgraham@dcboe.org with their full name, email, phone number, and publication, if applicable.

The District of Columbia Board of Elections is an independent agency of the District of Columbia Government responsible for the administration of elections, ballot access, and voter registration.
