NOMINATING PETITION CHALLENGE FORM

Instructions: On the top of each <u>Petition Challenge Form</u>, enter the name of the candidate and the sheet number of the candidate's petition. Copy the name and address from the petition sheet, if legible, into the space in the left column of this form that corresponds to the challenged signature. Provide the basis for the challenge, citing the alleged signature or circulator requirement defects, as set forth in the applicable section of the DCMR, in the right column of this form. (For example, you can write "Signature is not accompanied by an address" or "1607.1(e)" or "Signature is not accompanied by an address 1607.1(e)".) You should complete an individual <u>Petition Challenge Form</u> for each petition sheet with any challenged signatures.
